Before you buy

Your duty to take reasonable care not to make a misrepresentation

Before **you** enter into this contract of insurance, **you** have a duty to take reasonable care not to make a misrepresentation. **You** have a similar duty when **you** ask **us** to vary, extend or reinstate the insurance. What that means is that **you** need to take reasonable care to provide honest, accurate and complete answers to any questions that **we** ask.

When **you** ask **us** to vary, extend or reinstate **your** insurance, **you** need to take reasonable care to review any information that **we** provide to **you** for **your** confirmation and to inform **us** of any changes, where the information is no longer honest, accurate and complete.

If **you** are not sure of the answers to any of **our** questions, or whether the information **you** previously provided remains honest accurate and complete, **you** should take the time to check and find out. It is also important to understand that, in answering the questions and checking the information, **you** are answering for **yourself** and anyone else to whom the questions apply.

As **we** use **your** answers to decide what insurance **we** will offer, to calculate **your** premium, and to assess any claim **you** make, it is essential that **you** contact **us** if **you** have any doubts.

If **you** do not take reasonable care in answering **our** questions, or to inform **us** of any changes, **you** may breach **your** duty.

If that happens, **your policy** may be cancelled, or treated as if it never existed, and any claim may be denied or not paid in full.

If **your** circumstances make it difficult for **you** to work out how to answer any of **our** questions, or **you** are not clear how to explain **your** situation to **us**, **you** should contact **us** to discuss **your** queries.

- financially **dependent** on their parents and/or grandparents and not working fulltime;
- travelling with **you** for **your** entire **journey**; and
- listed on the **certificate of insurance** as **your dependent**.

If **your dependents** need cover for a **Pre-existing medical condition**, **you** may need to pay an additional premium.

When are benefits available?

The period **you** are covered for is set out on **your certificate of insurance** and varies depending on the length of **your journey** and the type of plan **you** have bought. **Your period of insurance** is between the issue date and return date listed on **your certificate of insurance**.

If **your journey** includes travel within Australia before going **overseas** or after leaving **your overseas** destination but before returning **home**, **you** should specify travel dates that match with the dates **you** depart from and return to **your home** when **you** buy **your policy**, not just the dates **you** are **overseas**.

Where **you** have bought **your policy** after departing Australia, a 48-hour no cover period will apply to all benefits from the time the **policy** is issued.

When does your cover start?

Top Plus International, Basic International, Domestic plans

When does your cover start?

Policies bought before you depart.

- Cover for 'Section 4: Cancellation or amendment expenses' starts from the time **you buy your policy**.
- Cover for all other sections starts when **you leave your home** to begin **your journey** on the departure date listed on **your certificate of insurance**.

Policies bought after you depart.

For eligible **policy** holders already **overseas**, who have bought a Top Plus International or Basic International plan after departing Australia, **your** period of cover is explained as below.

- There is no cover under any section of the **policy** for the first 48 hours from the time the **policy** is issued. This is **your** no cover period. This means there is no cover **arising** from any claim events that happen prior to purchasing the **policy** or within the waiting period. Cover under **your policy** begins immediately after the first 48 hours.

When does your cover end?

Your cover ends on the date on which one of the following first occurs:

- when **you** return **home**; or
- on the return date listed on **your certificate of insurance** (unless **your** return date is delayed due to a reason which is covered under **your policy**); or
- on the date **you** submit a claim under 'Section 4: Cancellation or amendment expenses' following the cancellation of **your** entire **journey** by **you**.

Multi-journey plan

When does your cover start?

- Cover for 'Section 4: Cancellation or amendment expenses' starts from the **relevant time** (the first time at which any part of the relevant **journey** is paid for or the time at which the **policy** is issued, whichever is the latter).
- Cover for all other sections starts at the beginning of each **journey** or the departure date listed on **your certificate of insurance**.

When does your cover end?

- Cover for any one **journey** ends when **you** return **home** from each **journey** or on the return date listed on **your certificate of insurance** (unless **your** return date is delayed due to a reason which is covered under **your policy**), whichever happens first. All cover ends when **your policy** expires.
- Cover is reinstated for all sections under the **policy** on the completion of each **journey** except for 'Section 13: Personal liability' where the benefit limit is the maximum **we** will pay for all claims combined during the 12-month **policy** period.
- The maximum period for any one **journey** is 45 days. **You** can make as many **journeys** as **you** wish during **your period of insurance**.

Please note that **you** are only covered for any incidents or events that happen during the first 45 days of **your journey**. There is no cover for any incident or event that happens outside of the 45 days.

Cancelling your policy

If **you** would like to cancel **your policy**, please contact **your** issuing travel agent. Once **you** cancel **your policy**, **you** are unable to make a claim on it.

Cancelling within your cooling-off period

You have 21 days from the day **you** purchase **your policy** to decide if the cover is right for **you** and suits **your** needs. If the **policy** does not meet **your** needs, **you** can cancel **your policy** within this “cooling-off period” for a full refund, provided **you**:

- Haven't started **your journey**; and/or
- Haven't made a claim; and/or
- Don't intend to make a claim or exercise any other rights under **your policy**.

What happens if you cancel outside your cooling-off period?

If **you** would like to cancel **your policy** outside the cooling-off period then **you** can request **us** to consider this, provided **you**:

- Haven't started **your journey**; and/or
- Haven't made a claim; and/or
- Don't intend to make a claim or exercise any other rights under **your policy**.

We will consider **your** request and may at **our** discretion provide **you** with a pro-rated refund. This refund (and **our** decision in providing **you** with a refund which will not be unreasonably withheld) will be based on numerous factors including:

- The level of cover/**policy** type chosen; and/or
- The date **you** purchased **your policy** and the date the **journey** would have begun; and/or
- Any other extenuating circumstances.

Making changes to your policy

You can request a change to **your policy** by contacting **your** issuing travel agent or CHI Travel Insurance.

If the change can be made, **we'll** let **you** know whether there is any additional premium that **you** need to pay.

Changes to **your policy** will only start once **we** receive any additional premium (if required) and **we** have confirmed the changes to **you** in writing with a new **certificate of insurance**.

Your duty to take reasonable care not to make a misrepresentation still applies when **you** make a change to **your policy**. Check out page 9 for details on 'Your duty to take reasonable care not to make a misrepresentation'

Medical conditions and pregnancy

Pre-existing medical condition(s)

Please carefully consider **your** medical history, the medical history of any other person listed on **your certificate of insurance**, as well as the health of **your travelling companion** and **your close relatives**. Not all **Pre-existing medical condition(s)** are covered automatically, and some can't be covered at all. The cover available for **Pre-existing medical condition(s)** is explained below.

What cover is there for a Pre-existing medical condition(s) suffered by travellers listed on your certificate of insurance?

There is cover for claims **arising** from or made worse by a **Pre-existing medical condition(s)** suffered by **you** if the **Pre-existing medical condition(s)** is covered as specified under 'Pre-existing medical condition(s) we cover' on page 15, or **we** have agreed in writing to provide cover to **you** for the **Pre-existing medical condition(s)** after a medical assessment, where the appropriate premium has been paid.

Cover is only available for claims **arising** from or made worse by a **Pre-existing medical condition(s)** suffered by **your travelling companion**, who is not listed on **your certificate of insurance**, if the **Pre-existing medical condition(s)** is covered as specified under 'Pre-existing medical condition(s) we cover' on page 15. A **travelling companion**, who is not listed on **your certificate of insurance**, cannot complete a medical assessment.

Please note that there is no cover under this **policy** for any claims **arising** from, related to or associated with a **Pre-existing medical condition(s)** that:

- **we** are unable to cover after a medical assessment;
- is pending investigation, test results, diagnosis or specialist consultation;
- for which **we** have agreed to provide cover but **you** chose not to accept the cover and/or have not paid the applicable premium, unless it is covered as specified under 'Pre-existing medical condition(s) we cover' on page 15 and **you** meet the condition of the cover for the specific **Pre-existing medical condition(s)** or **we** have agreed to cover in writing and it is noted on **your certificate of insurance**.

For additional health-related circumstances that are excluded, **you** should also read 'General exclusions' on pages 25-28.

What cover is there for the health of close relatives who impact my journey?

There is limited cover 'Section 4: Cancellation or amendment expenses' on pages 35 to 37 and 'Section 5: Additional expenses' on pages 38 to 40 for claims **arising** from, related to or associated with the **sickness, injury** or **Pre-existing medical conditions** suffered by **your close relatives** (such as **your** parents or grandparents).

Except for this limited cover, and that provided for **travelling companions** not listed on **your certificate of insurance**, there is no cover under this **policy** for any other claims **arising** from, related to or associated with, a **Pre-existing medical condition** suffered by people who aren't listed on **your certificate of insurance**.

What is a Pre-existing medical condition?

A **Pre-existing medical condition** means any medical or physical condition, disorder, disease, disability or illness, including any **mental illness**, which at the **relevant time**, **you** were aware of, or a reasonable person in the circumstances could be expected to have been aware of, and at the **relevant time**:

This definition applies to **you** and anyone else listed on **your certificate of insurance**, **your travelling companion**, **your close relatives** or anyone one else who **you**, or a reasonable person in **your** position, would consider as having cover under the **policy**.

If **you** are unsure whether **you** or anyone else who has cover under the **policy** has a **Pre-existing medical condition**, please call **our** Medical Assessment team on:

1800 997 810 or +61 2 9997 4810

Pre-existing medical conditions we need to assess

If **you** want cover for a **Pre-existing medical condition(s)** that **your** condition(s):

- does not meet the criteria in the table set out in 'Pre-existing medical condition(s) we cover'; or
- are not listed in the table set out in 'Pre-existing medical condition(s) we cover';

You will need to complete a medical assessment for **your** condition(s) to see if **we** can cover them.

You can complete a medical assessment with **your** travel insurance quote. The process will be explained to **you** during the quote.

If **you** complete a medical assessment for **your Pre-existing medical condition(s)**, but **you** don't tell **us** about all **your Pre-existing medical conditions** and **you** make a claim due to a **Pre-existing medical condition** **you** didn't disclose to **us**, **we** may be unable to provide cover.

There are two possible outcomes once **you've** completed a medical assessment for **your Pre-existing medical condition(s)** when **you** apply for a **policy**:

1. We can cover your Pre-existing medical condition(s)

We'll offer **you** a **policy** covering unexpected events relating to **your Pre-existing medical condition(s)**. An additional premium may be payable, and the condition(s) will be listed on **your policy** documents.

2. We can't cover your Pre-existing medical condition(s)

If **your** risk is higher than **we're** able to cover, or unknown, **we** may decline to offer **you** a **policy** or offer **you** a **policy** with special exclusions for the **Pre-existing medical condition(s)**.

Cover for Pregnancy

Our policies provide cover for pregnancy in limited circumstances.

What is covered?

Cover is included automatically up to the end of the 25th week of pregnancy for:

- a. single non-complicated pregnancies;
- b. unexpected pregnancy complications; and
- c. childbirth which was accelerated by accidental **injury** in limited circumstances.

Please see further information below.

You will need to apply for cover if at the **relevant time**, **you** know **you** are pregnant and are aware of, or a reasonable person in the circumstances could be expected to have been aware of, any of the following:

- i. there have been complications with this or a previous pregnancy,
- ii. **you** are expecting a multiple pregnancy (such as triplets or twins), or
- iii. **you** have a **Pre-existing medical condition** which could have an adverse impact on **your** health.

Pregnancy Complications

Pregnancy complications are considered **Pre-existing medical condition** and need to be disclosed and assessed if **you** want cover for these conditions whilst on **your journey**. Pregnancy complications include those that occur during pregnancy or may be caused by **Pre-existing medical condition** that already existed prior to the pregnancy, such as previous high risk of miscarriage, gestational diabetes, hyperemesis (severe morning sickness) or pre-eclampsia. Please refer to the **Pre-existing medical condition** **we** need to assess section above.

What is not covered

There is no cover for:

- a. pregnancy complications occurring from the 26th week of gestation, or as described in the section above (Pregnancy Complications) unless such complications are specifically accepted by **us** and noted on **your certificate of insurance**;
- b. childbirth at any stage of the pregnancy, other than as a result of an accident occurring prior to the end of the 25th week of **your** pregnancy which causes **you** to give birth prematurely;
- c. the health or care of a newborn child, irrespective of the stage of pregnancy when the child is born; or
- d. regular antenatal care.

We recommend that **you** contact **your medical advisor** and obtain written confirmation that **you** are fit to travel before commencing **your** planned **journey**.

If **you** are unsure whether **you** need to complete a medical assessment for **your** pregnancy, please call **our** Medical Assessment team on **1800 997 810** or **+61 2 9997 4810**.

It's important also to read 'General exclusions' on pages 25 to 28 for other reasons why **we** won't pay.

Changes in your health

If any of the following events **arise** at any time after **you** buy **your policy**, but before the start of **your journey**, or each **journey** under **your** Multi-Journey plan, **you** must contact **your medical advisor** and get written confirmation that **you** are fit to travel:

- a change in a **Pre-existing medical condition** that was either covered as specified 'Pre-existing medical condition(s) we cover' on page 15 or a change to a **Pre-existing medical condition** that **we** covered for an additional premium when **you** purchased the **policy**;
- a completely new medical condition (or the symptoms of one);
- a pregnancy.

If **you** don't get written confirmation from **your medical advisor** that **you** are fit to travel, or the **medical advisor** declares **you** unfit to travel, **you** will not be covered for any claim that **arises** from that condition if **you** still travel.

If **your medical advisor** declares **you** unfit to travel, then **you** are covered under the terms of **your** existing **policy** to cancel **your journey** and make a claim under 'Section 4: Cancellation or amendment expenses'.

There is no cover under 'Section 1: Overseas emergency medical and hospital expenses' for continuation or follow up of medical treatment (including medication and ongoing immunisations) that started before **your journey**.

What happens if you have a Pre-existing medical condition(s) or pregnancy, but you didn't take steps to cover it under your policy?

We won't pay any claims, costs or losses under any section of the **policy** arising from or, related to **your Pre-existing medical condition(s)** or pregnancy if:

- **You** didn't purchase cover for **your Pre-existing medical condition(s)** or pregnancy at the **relevant time** or, at the latest, before **you** depart on **your journey**;
- **You** complete a medical assessment for **your Pre-existing medical condition(s)** or pregnancy, and **we** decline cover; or
- **We** agreed to provide cover for **your Pre-existing medical condition(s)** or pregnancy, and **you** don't pay the required additional premium.

This could mean having to pay hundreds and thousands of dollars out of **your** own pocket for expenses if **you** experience a medical emergency **overseas**.

If **you** are unsure whether **you** need to complete a medical assessment for **your Pre-existing medical condition(s)** or pregnancy, please call **our** Medical Assessment team on **1800 997 810** or **+61 2 9997 4810**.

Extending your cover

If you're travelling for longer than planned

If **you're** travelling for longer than planned and need to update the return date listed on **your certificate of insurance**, **you'll** need to contact **your** issuing travel agent or CHI Travel Insurance, as applicable, before **your policy** expires. How your premium is calculated

We'll let **you** know about any premium **you** must pay when **you** apply to buy or change **your policy**. If **you** disclose any **Pre-existing medical conditions** to **us** or make other changes to **your policy** such as increasing **your** trip duration after **you** buy **your policy**, **we'll** advise **you** of any additional premium **you** need to pay.

Your premium is based on the:

- plan and cover type **you** choose;
- number and ages of the travellers;
- destinations **you** are travelling to;
- length of **your journey**;
- duration of **your** pre-trip cancellation cover (the more cancellation cover **you** need and the longer the cancellation lead-time, the more it usually costs);
- **your Pre-existing medical condition(s)**, if applicable; and
- any additional cover options **you** choose.

The premium also takes into account any obligation (actual or estimated) to pay any relevant charges, taxes or duties such as stamp duty and GST, if applicable.

How your claim payment is calculated

Factors that contribute to the calculation of the amount **we** will pay **you** for a claim include:

- the actual amount of the loss
- applying the various benefits and limits provided
- under the plan **you** have purchased
- less the **excess you** have nominated on **your certificate of insurance**, where applicable
- less any compensation, refund or credit **you** may have received from **your** pre-paid booking for **your journey**.
